# VESTA EIGHTEEN YEAR OLD LAD CROSSES MARK FIRST IN THE MARATHON RACE

### Finishes Seven Seconds Ahead of Nearest Competitor, Harry Powell, of Charleroi—Event Witnessed by Thousands of People

## VALUABLE PRIZES ARE AWARDED WINNERS

Earl Wilkins, an 18 year old lad of Vesta, small, but muscular, was the winner of the Charleroi Marathon race held at the ball park yesterday. The second pace was taken by Harry Powell, a Charleroi boy who made good at the finish. Wilkin's time was 1:46:13. Rain interferred greatly with the running and enjoyment of the race, but many interested spectators got soaked to the skin with the heavy rain, rather than miss any part of it. Apparently not a single runner is suffering more than the usual stiffness this morning, all being, as far as can be learned, in good shape.

The winners of the various places and their prizes follow:

1. Earl Wilkins, age 18, Vesta—$65.00 scholarship, transfer to sister, Douglass Business College; silver loving cup, Adolph Beigel; gold [illegible], J. W. McKean; season ticket, [illegible] and lady friend, Palace [illegible]eason ticket, Charleroi Base[illegible]tion; Jersey coat, A. G. [illegible]nd Bros.; pictures, Babbitt [illegible]ctures, Datz Studio, Mon[illegible]mbrella, J. B. Schafer; box [illegible] Ridgeway pool room.

Harry Powell, age 24, Charleroi [illegible]ecial prize of suit of clothes from "The Stag" for Charleroi runner finishing first, also special box of candy from Robertson Bros., and gold medal from John B. Schafer. Silver loving cup, First National Bank, Bank of Charleroi, Savings and Trust company, season tickets, Star Theatre, pair $5.00 shoes, C. R. Newcomer; pictures, Babbitt studio.

3. John McFadden, age 21, Roscoe—Watch, gun metal case, B. B. Krakover; suit case, Oppenheim Bros.; hat, Greenberg Bros.; pair Walkover oxfords, Louis Beigel; fancy shirt, Leslie Campbell Co.; box Big Z stogies, Zeugschmidt Cigar Co.: pictures, Babbit studio.

4. Charles Swager, age 22, South Brownsville—Suit case, Kirk and Clark; hat, Murdock and McCarty; rocking chair, Wm. Pfleghardt; box candy, Geo. Wagner; framed picture, Collins Wall Paper Co; box Big Z stogies, Zeugschmidt Cigar Co.

5. Thomas Alcott, age 19, Stockdale—Rocking chair, J. Frew; coat sweater, J. W. Berryman and Son; box candy, U. S. Orange; box Big Z stogies, Zeugschmidt Cigar Co.

6. James McEwan, age 18, Dunlevy—Bruno banjo, Geo. S. Might; box candy, Geo. Polites; one sack of flour, R. C. Mountsier.

7. L. B. Roberston, age 23, Charleroi—Mission lamp, Regan and Hormell; box cigars, Piper Bros; 12 pound ham, Jas. Gelder.

8. Charles Wagner, age 18, Charleroi—Violin, A. H. Furlong; hall tree, Correll and Crowley; box candy, J. Kuth; pipe, George Bailey.

9. Larty Martz, age 18, Monessen—Merschaum pipe, H. L. Swickey; stag handle knife, T. P. Grant.

10. J. William Burk, age 20, Donora—Merschaum pipe, Hennings drug store; umbrella, Teitelbaum.

11. J. W. Livingston, age 18, West Brownsville—$5.00 grocery order, J. E. Masters; gas lamp J. M. Fleming.

12 Martin O'Hara, age 23, Donora—Year's subsription Charleroi Mail; shaving outfit, Jas. W. Graham; razor, D. R. Duvall; box cigars, Rosenbloom.

13. Fred Powell, age 21, Charleroi—Giliete safety razor, C. W. Weltner.

14. Meredith Roberts, age 19, Vesta—Umbrella, Frank Riva; box cigars, Bill Phillips; pitcher, Woolworth Co.

15. Charles H. Clerihue, age 16, Charleroi—Box fancy stationary, Carroll's Drug store; plant in jardinere, Jos. Haube.

Thomas Mangan, the first one to reach Kirk and Clark's store on McKean avenue, won the handsome press cut glass water pitcher, donated by that store, and an umbrella presented by J. W. Berryman and Son as well. The latter firm also donated to Charles Clerihue a gold medal. Both Mangan and Clerihue are employes of Berryman's.

The race was one of the most interesting ever seen in this section. Until the eighth mile Wilkins of Vesta was not considered as a probable winner, but about that time he began to draw up, and continued at an astonishing pace until the finish. Harry Powell made a fine sprint at the last, but it came too late. Among those who surprised their friends were Charles Clerihue and Charles Wagner, Charleroi boys, who took prizes. The former is but 16 years of age, and very small, but the pluck he showed was more than once the subject of comment.

## California Man Died at His Home

### Robert C. Campbell, the Father of Miss Janet Campbell, of Charleroi Succumbs

Robert C. Cambpell, one of the best known residents along the Monongahela valley, died at his home yesterday afternoon at 4 o'clock in California. He was 58 years of age. He is survived by his wife, five sons and four daughters, one of the latter being Miss Janet Campbell, principal of the Fifth street school building. The funeral will be held Saturday afternoon at 2 o'clock from the late residence, and the interment will be in Highland cemetery.

Mr. Campbell has lived in California the greater part of the time since he came to this country at the age of 21. For a time he resided in Monongahela, where he was interested in business. He was the one who organized the California Glass company. Mr. Campbell was a member of the Monongahela Valley Lodge of Masons and the Christian church.

## ENTERTAINMENT WELL ATTENDED

### Worthy Numbers Were Presented, Chief Among which Was Magician

Quite out of the ordinary was the entertainment last night at School Hall given by Professor R. G. Hartley of Pittsburg, under the auspices of the Ladies' Guild of St. Mary's Episcopal church. The personal friendship of Mr. Hartley for Rev. Shay was the incentive which produced the entertainment of last evening, as Mr. Hartley kindly donated his time as well as the outlay of a goodly sum of money for equipment necessary to complete the illusions he so cleverly performed, and he proved he was no amateur in the art of legerdemain.

To go into detail is unnecessary, but many of the Herman and Kellar illusions were performed with the same ease and created as much interest in the audience as did those far-famed magicians. He seemingly turned water into wine and wine into water. From cooking utensil, into which he broke a few eggs, he drew forth a guinea pig. The selection of a word from a dictionary, by a lady in the audience, and the shooting of the identical word into a slate hanging on the opposite side of the hall, was another interesting feature.

William Gregory of Pittsburg, a little man 12 years of age, more than pleased the assemblage with his piccalo playing. He was an artist in his line, and certainly made his debut in Charleroi before a crowd of admiring friends. The musical program evoked much pleasure. A piano solo by Mrs. Irving Brown was enthusiastically received, as was the singing of Mrs. George W. Cooper. The latter never sang better, and was particularly fortunate in the selection of her solos. One was a May Day song, and the other an April selection. Miss Cheerful Willoughby of Monongahela was cordially received, and was compelled to return to the stage to repeat a verse or two of a solo, the words of which were written by that prince of poets, the late Eugene Field.

The entertainment last evening netted a goodly sum to the funds of the Episcopal church and gave an evening of entertainment to a large number of people, all of which was due to the generosity of Mr. Hartley and his clever necromancy.

### Notice.

The school board of the West Brownsville School District will receive bids for building addition to school house. Plan and specifications can be obtained from J. C. Brenton, architect, at Charleroi, Pa., or from W. E. Gregg, secretary of board at West Brownsville, Pa. All bids must be in by the second Monday of May and must comply with architect's instructions to receive attention. The Board reserves the right to reject any or all bids.

Thomas H. Moffitt,
President of Board.
Wm. E. Gregg, Secretary of Board.

# MACHALE LANDS MAN FOR TEAM

### Clark Greer Signed Yesterday—Secure Release From Western Club

## TO FIGHT FOR DUNN

There being no baseball pactice in Charleroi yesterday Manager Frank MacHale of the local team went to Pittsburg and secured the signature of Pitcher Clark Greer of Canonsburg to a Charleroi contract. Greer was signed with a club out west, but secured his release to go to Charleroi. MacHale also announced having secured Cather Conway from the Youngstown club. MacHale said he intends to push his claim for Bill Dunn, the infielder who is still with Clarksburg.

"Dunn is the property of the Charleroi club according to the rules of organized baseball," said MacHale. "I know the facts of the case were not presented to the proper persons at first, but now the points covering the case have been prepared and when submitted will show that we are entitled to the player's services without any doubt."

McKeesport wants to loan First Baseman Ross to Chareroi, but MacHale will not take him unless given free and without any conditions.

## GLEE CLUB TO BE HERE TONIGHT

### First Trip Out of Pittsburg Made to Charleroi, as a Benefit

## FOR THE JUVENILE COURT

A first class program will be given by the Glee Club of the Pnnsylvania College for Women at their concert tonight at the Coyle Theatre, under the auspices of the Charleroi Juvenile Court committee. The Glee Club is making its first trip out of the city of Pittsburg to Charleroi, thus establishing a precedent in favor of Charleroi, and it is thought certain that a good crowd will greet them.

Not only is the Glee Club a worthy musical organization, having had the best of training, but there is a local interest as well, from the fact that Miss Lomas Walton, daughter of Mr. and Mrs. S. A. Walton of North Charleroi, is a member. Besides being a member of the chorus, she will render violin solos. In reality the concert promises to be the best musical entertainment Charleroi will have the opportunity of attending this season. The concert commences at 8:15.

## TREATS WINNER AT HOTEL ARTHUR

### Adolph Thinks Shoes Were Partly Responsible for Result

The winner of the Charleroi Marathon race, Earl Wilkins of Vesta, with his attendant and father and friends, was entertained at the Hotel Arthur last night by Adolph Beigel of the Sample Shoe Store. The circle, composed of nine persons, took supper with the up-to-date shoe man, and later at his instance took an automobile ride over the streets of the town. Wilkins purchased the shoes which he wore in the race from Mr. Beigel last Saturday. They will be placed on display in Adolph's window today or tomorrow.

# EX-SALOON KEEPER TO PREACH AT THE COYLE THEATRE

### Special Services for Men will be Held Sunday Afternoon

## WILL BE UNION MEETING

John Fulton, the converted New York saloon-keeper, will speak at the Coyle Theatre Sunday afternoon at 2:30 o'clock to men only. Mr. Fulton was engaged in the saloon business in New York City for 26 years. During all this time he was a close student of man's relation and duty to his fellowman. Of his own free wil he decided to abandon for ever the saloon business, and atlhough receiving flattering money considerations for his business, he flatly refused to accept what he considered blood money. He left his saloon, which was a very lucrative investment situated in a prominent location in New York, without one penny of remuneration. He received excellent offers to enter business in other lines from his friends, but refused to do so, preferring to ally himself finally and completely with the work of saving men.

He is predominatly a man's evangelist. His power as a personal worker is said to be truly marvelous. He reaches men as an equal to them from the standpoint of their honor and duty towards their fellowmen. His character is that of solidity and strength, made so by hard knocks with the old world. Like Paul the Apostle who from the prosecutor became the advocate of Christ, he has changed sides and changed for keeps.

Every man in Charleroi is urged to hear him at the Coyle Theatre. Boys under 15 years of age will not be admitted. This service will be under the auspices of the Ministerial Association of Charlerci.

## WEDDED AT ALLEGHENY

### Widow of Col. Chill W. Hazzard Becomes Bride of Tyrone Man

A marriage of interest to residents of this community was solemnized Wednesday night at the residence of Dr. Thomas L. Hazzard, 117 East Montgomery avenue, in Allegheny. The contracting parties were Mrs. Hazzard, widow of Colonel Chill W. Hazzard of Monongahela, and Adie A. Stevens, a prominent lawyer and widely known business man of Tyrone, Pa.

The officiating minister was Rev. Joseph Hamilton of Washington, Pa. The couple will take up their residence at Bungalo in Stevens Park, Tyron, after June 15. The bride wore a princess gown of pearl satin with silver trimmings of chiffon and lace. The floral decorations were American beauty and bride's roses.

Mrs. Hazzard with her children, Vernon Hazzard, Esq., and Miss Harriet Hazzard, has conducted the Monongahela Republican since the death of Colonel Hazzard in 1901, who was editor and proprietor of that paper and who was widely known. Attorney Stevens is interested in many business enterprises in Tyrone and is general manager of the American Lime and Stone company and vice president of the First National Bank of Tyrone.

# WANT BRICK TO BE USED ON HIGHWAY

### Citizens of Down River Towns Specific in Their Desires

## MEET THE COMMISSIONERS

The committee of Monongahela and Donora men who met the county commissioners yesterday at Washington, were specific in their deisres for improvements of the highway connecting the two towns, stating they wanted brick to be used, and giving as their reason, that in the long run it would not only be cheaper but would be much better. A commitee was also present at the meeting composed of citizens of Canonsburg and Houston, asking that the road connecting these two places be made of brick.

As both the roads in question had been formerly approved by a grand jury to be macadamized the commissioners have no authority to brick them. It is likely that petitions will be presented however, relative to the change.

## WOMEN TO FORM AN ORGANIZATION

### Will Aid Hospital Movement in Whatever Way it is Possible

An effort is on foot to organize a woman's association in Charleroi for hospital work. Since the opening of the new Monessen General Hospital at Lock View, the necessity for organized work for its support is apparent. Toward this end a meeting has been called to effect an organization. This meeting will be held in the Charleroi Merchant's Association rooms in the Kirk and Clark building at 3:30 Tuesday afternoon, May 4. It is the object to have the Ladies Aid Societies of all the churches represented, and to organize a general society in which all can co-operate. A large attendance is desired.

## HIGH WINDS DO DAMAGE

### Three Stacks of Plate Glass Works are Blown Down

Yesterday the high wind at about 4:30 o'clock in the afternoon did considerable damage throughout the community. As far as can be learned there was nothing of very serious nature happened in Charleroi. Three of the Pittsburg Plate Glass company's smoke stacks blew down and a small portion of one building was unroofed which will cause some inconvenience. A boy was hit by some falling debris at the ball park, which had been blown from the top of the grandstand.

### Birthday Surprise.

A surprise party was tendered Miss Mattie Johns in honor of her 16th birthday, at the residence of her parents at 811 Oakland avenue yesterday. About 30 guests were present, and the young hostess received many beautiful and costly presents. A dainty four course lunch was served.

## Would Run Four Best Local Men

### Champion World's Runner Would Like to Come to Charleroi

The officials of the Charleroi baseball club this morning received a letter from Guy M. Dailey of Pittsburg, manager of Percy Smallwood, the champion middle distance runner of the world, stating that the latter would like to run in Charleroi, and made a proposition to race with any four of Charleroi's best runners, for the distance of tweive miles, the local men to run in relays of three miles each. The latter was turned over to the Marathon committee, but it is doubtful if any action will be taken at the present time.

### Lady Minstrels.

If we don't miss our guess the Lady Minstrels to be given at the Turner Hall next Friday and Saturday nights, May 7 and 8, under the auspices of the Lady Maccabees, will be one of the best home talent attractions ever seen in Charleroi. It is given under the direction of Prof. and Mrs. F. A. McCloskey of Philadelphia. Rehearsals are being held every afternoon and evening at Turner Hall and they are progressing nicely. The main part of the program will be the old original black face first part minstrel setting, with an olio of mirth, music and oddities. It wouldn't be fair to give them away now, but it is safe to say that all who attend will not be disappointed.

C. B. Copeland is a Pittsburg business visitor today.

## Business Increasing.

The Controller of Currency has called for a statement of the National Banks, showing their condition at the close of business on April 28. From the statements published a decided gain is shown, both in deposits and in the other departments.

In Charleroi the showing is particularly gratifying. The First National bank, which is the only banking institution in town under Federal supervision, shows a decided gain. Deposits are larger, and the volume of other business is greater. This shows that business conditions are not only better than they were at the last statement of the National Bank, but that labor is better employed and that industrial conditions are making big strides toward their old time prosperity.

Nothing is more encouraging than this showing of the First National. Not only is the institution itself in a flourishing condition, but its business shows that the local stringency is becoming easier.

## A Good Law.

Governor Stuart yesterday signed the Shern child labor bill, and that measure now supersedes the old laws governing this matter. It places the supervision of minors under 16 years who may be employed under school principles and superintendents, where it rightfully belongs, and these instructors alone can issue certificates of employment.

Another important feature, to Charleroi at least, is the right to employ boys under 16 years nights in glass factories under certain restrictions. A hard fight was made to cut out this permission, but it was shown that conditions as they exsist in the factories here are not hard and that prohibiting—his employment would work more hardship to families than to permit it. Minors cannot be employed at all under 14 years, but over that age, if they can read and write the Eglish language, they can get employment certificates to do work that is not perejudicial to their health or safety. This is one of the wisest provisions of the law. Boys over 14 years should be taught to work. That is the age when habits are formed, and to let them run idle all through vacation is not only an injury to themselves, but a menace to the whole neighborhood as well.

## The Race.

Charleroi is to be congratulated upon the succes of the Marathon race yesterday. That it came up to expectations as to crowd and interest was a foregone conclusion. Nothing was unpropitious but the weather, but even though Jupiter Pluvius did his worst, his efforts did not detract from the success of the event.

The great interest displayed in the race goes to show that the people of this community have a healthy appetite for clean, genuine sport. It is to e hoped that this interest will not wane, but will be continued with increased fervor in baseball. Charleroi has a professional team in the field that will give the best possible exemplification of the National game under local conditions. Baseball is the highest tpye of manly, American sports, and a generous support on the part of the public will do a whole lot to detract attention from baser amusements.

## Electric Sparks.

Charleroi people feel quite tired out after the strenuosities of yesterday, but they would welcome another Marathon in the near future.

Not a very nice thing, this beating your wife, even if you do think you have a right to do so. The law might interfere. It has just such a habit.

Now that the Marathon race is over, we can safely turn our attention to baseball again.

The Monongahela and Donora people do not want much—only a paved street between the two towns. Give it to them? O yes, of course.

Did you notice the Wilkins fellow outstepping the rest of 'em at the ball park yesterday, after he got his second wind? And the best part of it he seemed to think it was a huge joke. Strange, but the other fellows couldn't see it that way.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. ## THE GREAT MATHUSHEK

This is a piano WITHOUT A PEER. There is a no more reliable or more honestly constructed piano made in the world. During this sale, or throughout the entire month of May, this great piano can be bought practically ONE HUNDRED DOLLARS LESS THAN ITS REGULAR PRICE AND ACTUAL WORTH.

## HOME CURE FOR ECZEMA

**Oil of Wintergreen, Thymol, Glycerine, Etc., Used as a Simple Wash**

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true, cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find **immediately** that wonderfully soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. Prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Co. of Chicago, and our long experience with this remedy has given us great confidence in its merits.

## THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this terrible disease? It prevails in that far-away country—Africa—especially the Congo district. It is caused by the bite of the tsetse fly. When it bites a person, the sleeping symptoms begin and finally the sufferer sleeps until death occurs.

Contrast this with the peaceful, balmy sleep of health. Is there anything more wearing than to lie awake at night, tossing about, nervous, with cold feet, hot head and mercy knows what else? Short of letting the tsetse fly bite us we would do almost anything for relief. How can we prevent it? Mr. George Hayes, of Union City, Pa., writes: "I had lost my appetite, was all run-down, could not sleep nights. I had tried everything without relief. Vinol was recommended, and to my surprise, it helped me at once; gave me a splendid appetite, and now I sleep soundly."

What Vinol did for Mr. Hayes, it will do for every run-down, nervous and overworked person who cannot sleep.

# RECEIVER APPOINTED

### Mr. Skelly, of Ohio, to Have Charge of Dunseath Company's Business

J. Scott Skelly, of the Coshocton Iron Works has been appointed auxiliary receiver of Dunseath and Co., of New York, by the United States District Court in Pittsburg. Dunseath and Co. were sub-contractors on the Donora river bridge and became involved in financial difficulties last fall, before their work was completed. # ABUSIVE HUSBAND HELD

### Man Beats Wife and is Held For a Court Trial

Although declaring that he had a right to beat his wife if he wanted to, Ignatius Stewards, of North Charleroi, was held for court by Justice of the Peace Wilson at a hearing last night, the charge against the man being assault and battery. It is charged that he had abused his wife unmercifully. She made the information.

It is likely that Stewards will be taken to jail today to await trial, he having been unable thus far to furnish the $500 bail necessary. It is said that the man frequenty beat his wife, and from jealousy abused her. A mark was shown on her head at the hearing last night, which her husband is alleged to have inflicted.

# THE GRACEFUL ANTELOPE.

### He Seems Born of Light and Nursed In the Lap of the Wind.

For me there have been no fairer days than when the antelope skimmed the plain with less nebulous with speed on that low, gentle canter whose deceptive motion left the best aimed bullet far behind. For the antelope is the only large animal that is wholly spirituelle. Graceful as he may seem when spurning the ground and swinging high over rocks and brush, to rebound like a ball at the next touch of earth, there is still something earthly about the deer. But the antelope seems born of light and nursed in the lap of the wind. All his movements show that he was meant for the air rather than the earth. Though Nature made a slight change in giving him legs instead of wings, she made no mistake, and her work has always been the wonder and love of the hunter. When troubles arise the deer takes to the harbor of the hills, but the antelope steers for the open sea. The farther the plain sweeps wide and free the more this gay rover loves its safety, and a run that to the deer would mean death is to him only a "breather" that warms him up to the race. Whether illuming the horizon like a shooting star in the clear morning air of the great plain or looming high, like a stilted ghost in the mirage of glowing midday, he is the most charming of all things that run, and his passing has left a great void that nothing can fill. The few that are left, protected as they are, give no idea of the effect produced on a lover of the open by one of the great bands of the days that were, strung out in a line almost like vapor with distance and speed, and vanishing as if in air over the land's outlying verge.—T. S. Van Dyke in Recreation.

## VESTA EIGHTEEN YEAR OLD LAD CROSSES MARK FIRST IN THE MARATHON RACE

### Finishes Seven Seconds Ahead of Nearest Competitor, Harry Powell, of Charleroi---Event Witnessed by Thousands of People.

### VALUABLE PRIZES ARE AWARDED WINNERS

Earl Wilkins, an 18 year old lad of Vesta, small, but muscular, was the winner of the Charleroi Marathon race held at the ball park yesterday. The second pace was taken by Harry Powell, a Charleroi boy who made good at the finish. Wilkin's time was 1:46:23. Rain interferred greatly with the running and enjoyment of the race, but many interested spectators got soaked to the skin with the heavy rain, rather than miss any part of it. Apparently not a single runner is suffering more than the usual stiffness this morning, all being, as far as can be learned, in good shape.

The winners of the various places and their prizes follow:

1. Earl Wilkins, age 18, Vesta—$65.00 scholarship, transfer to sister, Douglass Business College; silver loving cup, Adolph Beigel; gold watch, J. W. McKean; season ticket, Mon[illegible] and lady friend, Palace Rooms; season ticket, Charleroi Baseball Association; Jersey coat, A. G. [illegible] Bros.; pictures, Babbitt [illegible]ctures, Datz Studio. Monbrella, J. B. Schafer; box Ridgeway pool room.

2. Harry Powell, age 21, Charleroi [illegible]ecial prize of suit of clothes from "the Stag" for Charleroi runner finishing first, also special box of candy from Robertson Bros., and gold medal from John B. Schafer. Silver loving cup, First National Bank, Bank of Charleroi, Savings and Trust company; season ticket, Star Theatre; pair $5.00 shoes, C. R. Newcomer; pictures, Babbitt studio.

3. John McFadden, age 21, Roscoe—Watch, gun metal case, B. B. Krakover; suit case, Oppenheim Bros.; hat, Greenberg Bros.; pair Walkover oxfords, Louis Beigel; fancy shirt, Leslie Campbell Co.; box Big Z stogies, Zeugschmidt Cigar Co.; pictures, Babbit studio.

4. Charles Swager, age 22, South Brownsville—Suit case, Kirk and Clark; hat, Murdock and McCarty; rocking chair, Wm. Pfleghardt; box candy, Geo. Wagner; framed picture, Collins Wall Paper Co; box Big Z stogies, Zeugschmidt Cigar Co.

5. Thomas Alcott, age 19, Stockdale—Rocking chair, J. Frew; coat sweater, J. W. Berryman and Son; box candy, U. S. Orange; box Big Z stogies, Zeugschmidt Cigar Co.

6. James McEwan, age 18, Dunlevy—Brass banjo, Geo. S. Wright; box candy, Geo. Polites; one sack of flour, R. C. Mountsier.

7. L. B. Roberston, age 23, Charleroi—Mission lamp, Regan and Hormell; box cigars, Piper Bros; 12 pound ham, Jas. Gelder.

8. Charles Wagner, age 18, Charleroi Violin, A. H. Furlong; hall tree, Correll and Crowley; box candy, J. Kuth; pipe, George Bailey.

9. Lurty Martz, age 18, Monessen—Merschaum pipe, H. L. Swickey; stag handle knife, T. P. Grant.

10. J. William Burk, age 20, Donora—Merschaum pipe, Hennings drug store; umbrella, Teiteibaum.

11. J. W. Livingston, age 18, West Brownsville—$5.00 grocery order, J. E. Masters; gas lamp J. M. Fleming.

12 Martin O'Hara, age 23, Donora—Year's subsription Charleroi Mail; shaving outfit, Jas. W. Graham; razor, D. R. Duvall; box cigars, Rosenbloom.

13. Fred Powell, age 21, Charleroi—Gillete safety razor, C. W. Weltner.

14. Meredith Roberts, age 19, Vesta—Umbrella, Frank Riva; box cigars, Bill Phillips; pitcher, Woolworth Co.

15. Charles H. Clerihue, age 16, Charleroi—Box fancy stationary, Carroll's Drug store; plant in jardinere, Jos. Haube.

Thomas Mangan, the first one to reach Kirk and Clark's store on McKean avenue, won the handsome press cut glass water pitcher, donated by that store, and an umbrella presented by J. W. Berryman and Son as well. The latter firm also donated to Charles Clerihue a gold medal. Both Mangan and Clerihue are employes of Berryman's.

The race was one of the most interesting ever seen in this section. Until the eighth mile Wilkins of Vesta was not considered as a probable winner, but about that time he began to draw up, and continued at an astonishing pace until the finish. Harry Powell made a fine sprint at the last, but it came too late. Among those who surprised their friends were Charles Clerihue and Charles Wagner, Charleroi boys, who took prizes. The former is but 16 years of age, and very small, but the pluck he showed was more than once the subject of comment.

## Would Run Four Best Local Men

### Champion World's Runner Would Like to Come to Charleroi

The officials of the Charleroi baseball club this morning received a letter from Guy M. Dailey of Pittsburg, manager of Percy Smallwood, the champion middle distance runner of the world, stating that the latter would like to run in Charleroi, and made a proposition to race with any four of Charleroi's best runners, for the distance of twelve miles, the local men to run in relays of three miles each. The latter was turned over to the Marathon committee, but it is doubtful if any action will be taken at the present time.

### Lady Minstrels.

If we don't miss our guess the Lady Minstrels to be given at the Turner Hall next Friday and Saturday nights, May 7 and 8, under the auspices of the Lady Maccabees, will be one of the best home talent attractions ever seen in Charleroi. It is given under the direction of Prof. and Mrs. F. A. McCloskey of Philadelphia. Rehearsals are being held every afternoon and evening at Turner Hall and they are progressing nicely. The main part of the program will be the old original black face first part minstrel setting, with an olio of mirth, music and oddities. It wouldn't be fair to give them away now, but it is safe to say that all who attend will not be disappointed.

C. B. Copeland is a Pittsburg business visitor today.

## California Man Died at His Home

### Robert C. Campbell, the Father of Miss Janet Campbell, of Charleroi Succumbs

Robert C. Cambpell, one of the best known residents along the Monongahela valley, died at his home yesterday afternoon at 4 o'clock in California. He was 55 years of age. He is survived by his wife, five sons and four daughters, one of the latter being Miss Janet Campbell, principal of the Fifth street school building. The funeral will be held Saturday afternoon at 2 o'clock from the late residence, and the interment will be in Highland cemetery.

Mr. Campbell has lived in California the greater part of the time since he came to this country at the age of 21. For a time he resided in Monongahela, where he was interested in business. He was the one who organized the California Glass company. Mr. Campbell was a member of the Monongahela Valley Lodge of Masons and the Christian church.

## ENTERTAINMENT WELL ATTENDED

### Worthy Numbers Were Presented, Chief Among which Was Magician

Quite out of the ordinary was the entertainment last night at School Hall given by Professor R. G. Hartley of Pittsburg, under the auspices of the Ladies' Guild of St. Mary's Episcopal church. The personal friendship of Mr. Hartley for Rev. Shay was the incentive which produced the entertainment of last evening, as Mr. Hartley kindly donated his time as well as the outlay of a goodly sum of money for equipment necessary to complete the illusions he so cleverly performed, and he proved he was no amateur in the art of legerdemain.

To go into detail is unnecessary, but many of the Herman and Kellar illusions were performed with the same ease and created as much interest in the audience as did those far-famed magicians. He seemingly turned water into wine and wine into water. From cooking utensil, into which he broke a few eggs, he drew forth a guinea pig. The selection of a word from a dictionary, by a lady in the audience, and the shooting of the identical word into a slate hanging on the opposite side of the hall, was another interesting feature.

William Gregory of Pittsburg, a little man 12 years of age, more than pleased the assemblage with his piccalo playing. He was an artist in his line, and certainly made his debut in Charleroi before a crowd of admiring friends. The musical program evoked much pleasure. A piano solo by Mrs. Irving Brown was enthusiastically received, as was the singing of Mrs. George W. Cooper. The latter never sang better, and was particularly fortunate in the selection of her solos. One was a May Day song, and the other an April selection. Miss Cheerful Willoughby of Monongahela was cordially received, and was compelled to return to the stage to repeat a verse or two of a solo, the words of which were written by that prince of poets, the late Eugene Field.

The entertainment last evening netted a goodly sum to the funds of the Episcopal church and gave an evening of entertainment to a large number of people, all of which was due to the generosity of Mr. Hartley and his clever necromancy.

### Notice.

The school board of the West Brownsville School District will receive bids for building addition to school house. Plan and specifications can be obtained from J. C. Brenton, architect, at Charleroi, Pa., or from W. E. Gregg, secretary of board at West Brownsville, Pa. All bids must be in by the second Monday of May and must comply with architect's instructions to receive attention. The Board reserves the right to reject any or all bids.

## MACHALE LANDS MAN FOR TEAM

### Clark Greer Signed Yesterday---Secure Release From Western Club

### TO FIGHT FOR DUNN

There being no baseball pactice in Charleroi yesterday Manager Frank MacHale of the local team went to Pittsburg and secured the signature of Pitcher Clark Greer of Canonsburg to a Charleroi contract. Greer was signed with a club out west, but secured his release to go to Charleroi. MacHale also announced having secured Cather Conway from the Youngstown club. MacHale said he intends to push his claim for Bill Dunn, the infielder who is still with Clarksburg.

"Dunn is the property of the Charleroi club according to the rules of organized baseball," said MacHale. "I know the facts of the case were not presented to the proper persons at first, but now the points covering the case have been prepared and when submitted will show that we are entitled to the player's services without any doubt."

McKeesport wants to loan First Baseman Ross to Chareroi, but MacHale will not take him unless given free and without any conditions.

## GLEE CLUB TO BE HERE TONIGHT

### First Trip Out of Pittsburg Made to Charleroi, as a Benefit

### FOR THE JUVENILE COURT

A first class program will be given by the Glee Club of the Pennsylvania College for Women at their concert tonight at the Coyle Theatre, under the auspices of the Charleroi Juvenile Court committee. The Glee Club is making its first trip out of the city of Pittsburg to Charleroi, thus establishing a precedent in favor of Charleroi, and it is thought certain that a good crowd will greet them.

Not only is the Glee Club a worthy musical organization, having had the best of training, but there is a local interest as well, from the fact that Miss Lomas Walton, daughter of Mr. and Mrs. S. A. Walton of North Charleroi, is a member. Besides being a member of the chorus, she will render violin solos. In reality the concert promises to be the best musical entertainment Charleroi will have the opportunity of attending this season. The concert commences at 8:15.

## TREATS WINNER AT HOTEL ARTHUR

### Adolph Thinks Shoes Were Partly Responsible for Result

The winner of the Charleroi Marathon race, Earl Wilkins of Vesta, with his attendant and father and friends, was entertained at the Hotel Arthur last night by Adolph Beigel of the Sample Shoe Store. The circle, composed of nine persons, took supper with the up-to-date shoe man, and later at his instance took an automobile ride over the streets of the town. Wilkins purchased the shoes which he wore in the race from Mr. Beigel last Saturday. They will be placed on display in Adolph's window today or tomorrow.

## EX-SALOON KEEPER TO PREACH AT THE COYLE THEATRE

### Special Services for Men will be Held Sunday Afternoon

### WILL BE UNION MEETING

John Fulton, the converted New York saloon-keeper, will speak at the Coyle Theatre Sunday afternoon at 2:30 o'clock to men only. Mr. Fulton was engaged in the saloon business in New York City for 26 years. During all this time he was a close student of man's relation and duty to his fellowman. Of his own free wil he decided to abandon for ever the saloon business, and although receiving flattering money considerations for his business, he flatly refused to accept what he considered blood money. He left his saloon, which was a very lucrative investment situated in a prominent location in New York, without one penny of remuneration. He received excellent offers to enter business in other lines from his friends, but refused to do so, preferring to ally himself finally and completely with the work of saving men.

He is predominatly a man's evangelist. His power as a personal worker is said to be truly marvelous. He reaches men as an equal to them from the standpoint of their honor and duty towards their fellowmen. His character is that of solidity and strength, made so by hard knocks with the old world. Like Paul the Apostle who from the prosecutor became the advocate of Christ, he has changed sides and changed for keeps.

Every man in Charleroi is urged to hear him at the Coyle Theatre. Boys under 15 years of age will not be admitted. This service will be under the auspices of the Ministerial Association of Charleroi.

## WEDDED AT ALLEGHENY

### Widow of Col. Chill W. Hazzard Becomes Bride of Tyrone Man

A marriage of interest to residents of this community was solemnized Wednesday night at the residence of Dr. Thomas L. Hazzard, 117 East Montgomery avenue, in Allegheny. The contracting parties were Mrs. Hazzard, widow of Colonel Chill W. Hazzard of Monongahela, and Adie A. Stevens, a prominent lawyer and widely known business man of Tyrone, Pa.

The officiating minister was Rev. Joseph Hamilton of Washington, Pa. The couple will take up their residence at Bungalo in Stevens Park, Tyron, after June 15. The bride wore a princess gown of pearl satin with silver trimmings of chiffon and lace. The floral decorations were American beauty and bride's roses.

Mrs. Hazzard with her children, Vernon Hazzard, Esq., and Miss Harriet Hazzard, has conducted the Monongahela Republican since the death of Colonel Hazzard in 1901, who was editor and proprietor of that paper and who was widely known. Attorney Stevens is interested in many business enterprises in Tyrone and is general manager of the American Lime and Stone company and vice president of the First National Bank of Tyrone.

## WANT BRICK TO BE USED ON HIGHWAY

### Citizens of Down River Towns Specific in Their Desires

### MEET THE COMMISSIONERS

The committee of Monongahela and Donora men who met the county commissioners yesterday at Washington, were specific in their deisres for improvements of the highway connecting the two towns, stating they wanted brick to be used, and giving as their reason, that in the long run it would not only be cheaper but would be much better. A commitee was also present at the meeting composed of citizens of Canonsburg and Houston, asking that the road connecting these two places be made of brick.

As both the roads in question had been formerly approved by a grand jury to be macadamized the commissioners have no authority to brick them. It is likely that petitions will be presented however, relative to the change.

## WOMEN TO FORM AN ORGANIZATION

### Will Aid Hospital Movement in Whatever Way it is Possible

An effort is on foot to organize a woman's association in Charleroi for hospital work. Since the opening of the new Monessen General Hospital at Lock View, the necessity for organized work for its support is apparent. Toward this end a meeting has been called to effect an organization. This meeting will be held in the Charleroi Merchant's Association rooms in the Kirk and Clark building at 3:30 Tuesday afternoon, May 4. It is the object to have the Ladies Aid Societies of all the churches represented, and to organize a general society in which all can co-operate. A large attendance is desired.

## HIGH WINDS DO DAMAGE

### Three Stacks of Plate Glass Works are Blown Down

Yesterday the high wind at about 4:30 o'clock in the afternoon did considerable damage throughout the community. As far as can be learned there was nothing of very serious nature happened in Charleroi. Three of the Pittsburg Plate Glass company's smoke stacks blew down and a small portion of one building was unroofed which will cause some inconvenience. A boy was hit by some falling debris at the ball park, which had been blown from the top of the grandstand.

### Birthday Surprise.

A surprise party was tendered Miss Mattie Johns in honor of her 16th birthday, at the residence of her parents at 811 Oakland avenue yesterday. About 30 guests were present, and the young hostess received many beautiful and costly presents. A dainty four course lunch was served.

## Business Increasing.

The Controller of Currency has called for a statement of the National Banks, showing their condition at the close of business on April 28. From the statements published a decided gain is shown, both in deposits and in the other departments.

In Charleroi the showing is particularly gratifying. The First National bank, which is the only banking institution in town under Federal supervision, shows a decided gain. Deposits are larger, and the volume of other business is greater. This shows that business conditions are not only better than they were at the last statement of the National Bank, but that labor is better employed and that industrial conditions are making big strides toward their old time prosperity.

Nothing is more encouraging than this showing of the First National. Not only is the institution itself in a flourishing condition, but its business shows that the local stringency is becoming easier.

## A Good Law.

Governor Stuart yesterday signed the Shern child labor bill, and that measure now supersedes the old laws governing this matter. It places the supervision of minors under 16 years who may be employed under school principles and superintendents, where it rightfully belongs, and these instructors alone can issue certificates of employment.

Another important feature, to Charleroi at least, is the right to employ boys under 16 years nights in glass factories under certain restrictions. A hard fight was made to cut out this permission, but it was shown that conditions as they exsist in the factories here are not hard and that prohibiting—his employment would work more hardship to families than to permit it. Minors cannot be employed at all under 14 years, but over that age, if they can read and write the Eglish language, they can get employment certificates to do work that is not perejudicial to their health or safety. This is one of the wisest provisions of the law. Boys over 14 years should be taught to work. That is the age when habits are formed, and to let them run idle all through vacation is not only an injury to themselves, but a menace to the whole neighborhood as well.

## The Race.

Charleroi is to be congratulated upon the succes of the Marathon race yesterday. That it came up to expectations as to crowd and interest was a foregone conclusion. Nothing was unpromitions but the weather, but even though Jupiter Pluvius did his worst, his efforts did not detract from the success of the event.

The great interest displayed in the race goes to show that the people of this community have a healthy appetite for clean, genuine sport. It is to be hoped that this interest will not wane, but will be continued with increased fervor in baseball. Charleroi has a professional team in the field that will give the best possible exemplification of the National game under local conditions. Baseball is the highest tpye of manly, American sports, and a generous support on the part of the public will do a whole lot to detract attention from baser amusements.

## Electric Sparks.

Charleroi people feel quite tired out after the strenuosities of yesterday, but they would welcome another Marathon in the near future.

Not a very nice thing, this beating your wife, even if you do think you have a right to do so. The law might interfere. It has just such a habit.

Now that the Marathon race is over, we can safely turn our attention to baseball again.

The Monongahela and Donora people do not want much—only a paved street between the two towns. Give it to them? O yes, of course.

Did you notice the Wilkins fellow outstepping the rest of 'em at the ball park yesterday, after he got his second wind? And the best part of it he seemed to think it was a huge joke. Strange, but the other fellows couldn't see it that way.

# AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis.—"Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me."—MRS. EMMA IMSE, 833 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

**Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.**

# A Special Sale of High Grade Pianos During Coming Month

During the month of May, I intend to sell about thirty-five high grade pianos, at about two-thirds their regular price. That is to say, that the prices during this sale will be about one-third less than the same pianos bring regularly wherever they are offered for sale.

Each and every piano has been PERSONALLY SELECTED BY MYSELF, and I will vouch for its high character. Heading the line of the six old reliable standard makes I will offer during this sale, is

## THE GREAT MATHUSHEK

This is a piano WITHOUT A PEER. There is a no more reliable or more honestly constructed piano made in the world. Its separate agraffe, its independent iron frame, its mandolin sounding board, all commend it as a piano of the VERY HIGHEST CLASS, but it is to its great durability and ability to stay in tune, that its fame is best known.

During this sale, or throughout the entire month of May, this great piano can be bought practically ONE HUNDRED DOLLARS LESS THAN ITS REGULAR PRICE AND ACTUAL WORTH.

### Each and Every Piano Sold During This Sale Has My Personal Guarantee

And I refer to the hundreds of persons in this valley to whom I have sold pianos during the past 14 years, as to my treatment of them in their business relations with me.

## HOME CURE FOR ECZEMA

**Oil of Wintergreen, Thymol, Glycerine, Etc., Used as a Simple Wash**

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true, cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderfully soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. Prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Co. of Chicago, and our long experience with this remedy has given us great confidence in its merits.

## THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this terrible disease? It prevails in that far-away country—Africa—especially the Congo district. It is caused by the bite of the tsetse fly. When it bites a person, the sleeping symptoms begin and finally the sufferer sleeps until death occurs.

Contrast this with the peaceful, balmy sleep of health. Is there anything more wearing than to lie awake at night, tossing about, nervous, with cold feet, hot head and mercy knows what else? Short of letting the tsetse fly bite us we would do almost anything for relief. How can we prevent it? Mr. George Hayes, of Union City, Pa., writes: "I had lost my appetite, was all run-down, could not sleep nights. I had tried everything without relief. Vinol was recommended, and to my surprise, it helped me at once; gave me a splendid appetite, and now I sleep soundly."

What Vinol did for Mr. Hayes, it will do for every run-down, nervous and overworked person who cannot sleep.

It has been out for some time undergoing repairs. When it resumes the factory will be running full force again. This is the first time the furnace has been idle in over six years.

Capt. Dale Joliffee of the Charleroi Boys' Brigade, was called to Fayette City the other evening to assist in the organization of a Boys' Brigade there. A meeting was called by the Y. M. C. A. and over 50 boys responded. It is the intention to organize two companies there.

## Mr. Skelly, of Ohio, to Have Charge of Dunseath Company's Business

J. Scott Skelly, of the Coshocton Iron Works has been appointed auxiliary receiver of Dunseath and Co., of New York, by the United States District Court in Pittsburg. Dunseath and Co. were sub-contractors on the Donora river bridge and became involved in financial difficulties last fall, before their work was completed. The firm went into the hands of a receiver in New York, who took charge of the firm's property in that State. Mr. Skelley will have charge of all the firm's property in Pennsylvania.

# ABUSIVE HUSBAND HELD

## Man Beats Wife and is Held For a Court Trial

Although declaring that he had a right to beat his wife if he wanted to, Ignatius Stewards, of North Charleroi, was held for court by Justice of the Peace Wilson at a hearing last night, the charge against the man being assault and battery. It is charged that he had abused his wife unmercifully. She made the information.

It is likely that Stewards will be taken to jail today to await trial, he having been unable thus far to furnish the $500 bail necessary. It is said that the man frequenty beat his wife, and from jealousy abused her. A mark was shown on her head at the hearing last night, which her husband is alleged to have inflicted.

# THE GRACEFUL ANTELOPE.

**He Seems Born of Light and Nursed In the Lap of the Wind.**

For me there have been no fairer days than when the antelope skimmed the plain with legs nebulous with speed on that low, gentle canter whose deceptive motion left the best aimed bullet far behind. For the antelope is the only large animal that is wholly spirituelle. Graceful as he may seem when spurning the ground and swinging high over rocks and brush, to rebound like a ball at the next touch of earth, there is still something earthly about the deer. But the antelope seems born of light and nursed in the lap of the wind. All his movements show that he was meant for the air rather than the earth. Though Nature made a slight change in giving him legs instead of wings, she made no mistake, and her work has always been the wonder and love of the hunter. When troubles arise the deer takes to the harbor of the hills, but the antelope steers for the open sea. The farther the plain sweeps wide and free the more this gay rover loves its safety, and a run that to the deer would mean death is to him only a "breather" that warms him up to the [illegible] like a shooting star in the clear morning air of the great plain or looming high, like a stilted ghost in the mirage of glowing midday, he is the most charming of all things that run, and his passing has left a great void that nothing can fill. The few that are left, protected as they are, give no idea of the effect produced on a lover of the open by one of the great bands of the days that were, strung out in a film almost like vapor with distance and speed, and vanishing as if in air over the land's outlying verge.—T. S. Van Dyke in Recreation.

## Are the Climax

They start where other designers leave off. They add. They better. They increase the goodness of all the good things in other clothes. It may be the slope of a pocket lapel, the thickness, edging, or design of a sleeve cuff, the narrowness or broadness of a collar, the general effect of the shoulder design.

If these things need improving, and if that improvement gives them distinctiveness and smartness,

CLEVER CLOTHES improve them.

**Successful Ugly Women.**

Successful women were not always of irreproachable beauty or modeling. Thus the Princess d'Evoli of Louis XV.'s time was one eyed; the slit of Montespan's mouth reached her ears; Mme. de Maintenon was thin, meager, yellowish; La Valliere lame, Gabrielle d'Estrees one armed, Anne Boleyn six fingered.—Hindustan Review.
